F347 Community Risk Issues & Prevention Interventions (CREF#: 09-12-NFA-37)

WHEN: December 9 & 10, 2008

TIME: 8:00AM - 4:00PM

WHERE: NH Fire Academy
98 Smokey Bear Blvd, Concord, NH

COST: \$20

PREREQUISITES: None

COURSE DESCRIPTION: This 2-day course is designed for students who work in the field of prevention. Students learn a basic overview of the "three E's" of prevention--education, engineering, and enforcement. The course concludes that the most effective way to combat community risk issues is to develop strategies that use all "three E's." The course is designed to provide the motivation and leadership for local organizations to enhance their prevention efforts. Course content includes evaluation of the types and levels of community prevention; how injuries, fires, and burns can be prevented; strategies and countermeasures to help people understand the injury, fire, or burn event and reduce the loss; and prevention approaches--behavior changes, legislation, and enforcement and engineering.

REGISTRATION: **General Admission Application.** Only complete applications will be accepted in person, by Mail or by Fax. Check, Money Order, Credit Card or Chief's signature must accompany application. Applications will be accepted by the following criteria.
